

RESIDENTIAL SERIES

2500 • REGAL • CELEBRITY • VANTAGE

Mid-America Door offers traditional Raised Panel and Carriage House models, showcasing the warmth and beauty of wood, as well as the durability and strength of steel. Our elegant designs will enhance the curb appeal of any home!

STANDARDS

- Wood grain embossed design.
- Hot dipped galvanized pre-painted steel. (2500 - nominal 25 gauge; Regal - nominal 24 gauge; Celebrity - 24 gauge; Vantage - 26 gauge, front and back.)
- Interior return rails hemmed the entire length of section for added strength and safety.
- Commercial grade vinyl retainer with thick vinyl weatherstrip, which runs the entire length of the bottom to conform with the floor and seal out the elements. (Aluminum bottom rail standard on Vantage.)
- Rugged hot dipped galvanized tracks, brackets, wide body hinges, plus torsion or extension springs deliver years of trouble-free performance and continuous smooth openings and closings.
- Inside slide lock.
- Regal, Celebrity and Vantage backed by a limited lifetime warranty against splitting, cracking and rust through. EXCEPTION: Doors installed within 2 miles of coastal salt water.

INSULATION

2500, Regal and Celebrity series doors feature optional energy efficient polystyrene insulation, covered with a heavy white vinyl backing to provide protection and an attractive finish.

Vantage series doors feature a standard 2" thick polystyrene insulation, pressure bonded between 2 sheets of steel for superior energy efficiency and sound resistance.
